

They're in good hands

Parents can concentrate on their job with the peace of mind that their children are having fun after school, making good use of their time, and staying healthy with quality martial arts training. Children will be taught safety and life skills by certified instructors in the American Taekwondo Association.

We have registration forms available at our studio or you can download them at www.edgeata.com. For more info on our program such as prices, schools available for pick-up, etc, please do not hesitate to call us as we will be happy to answer all of your questions.

Contact us:
